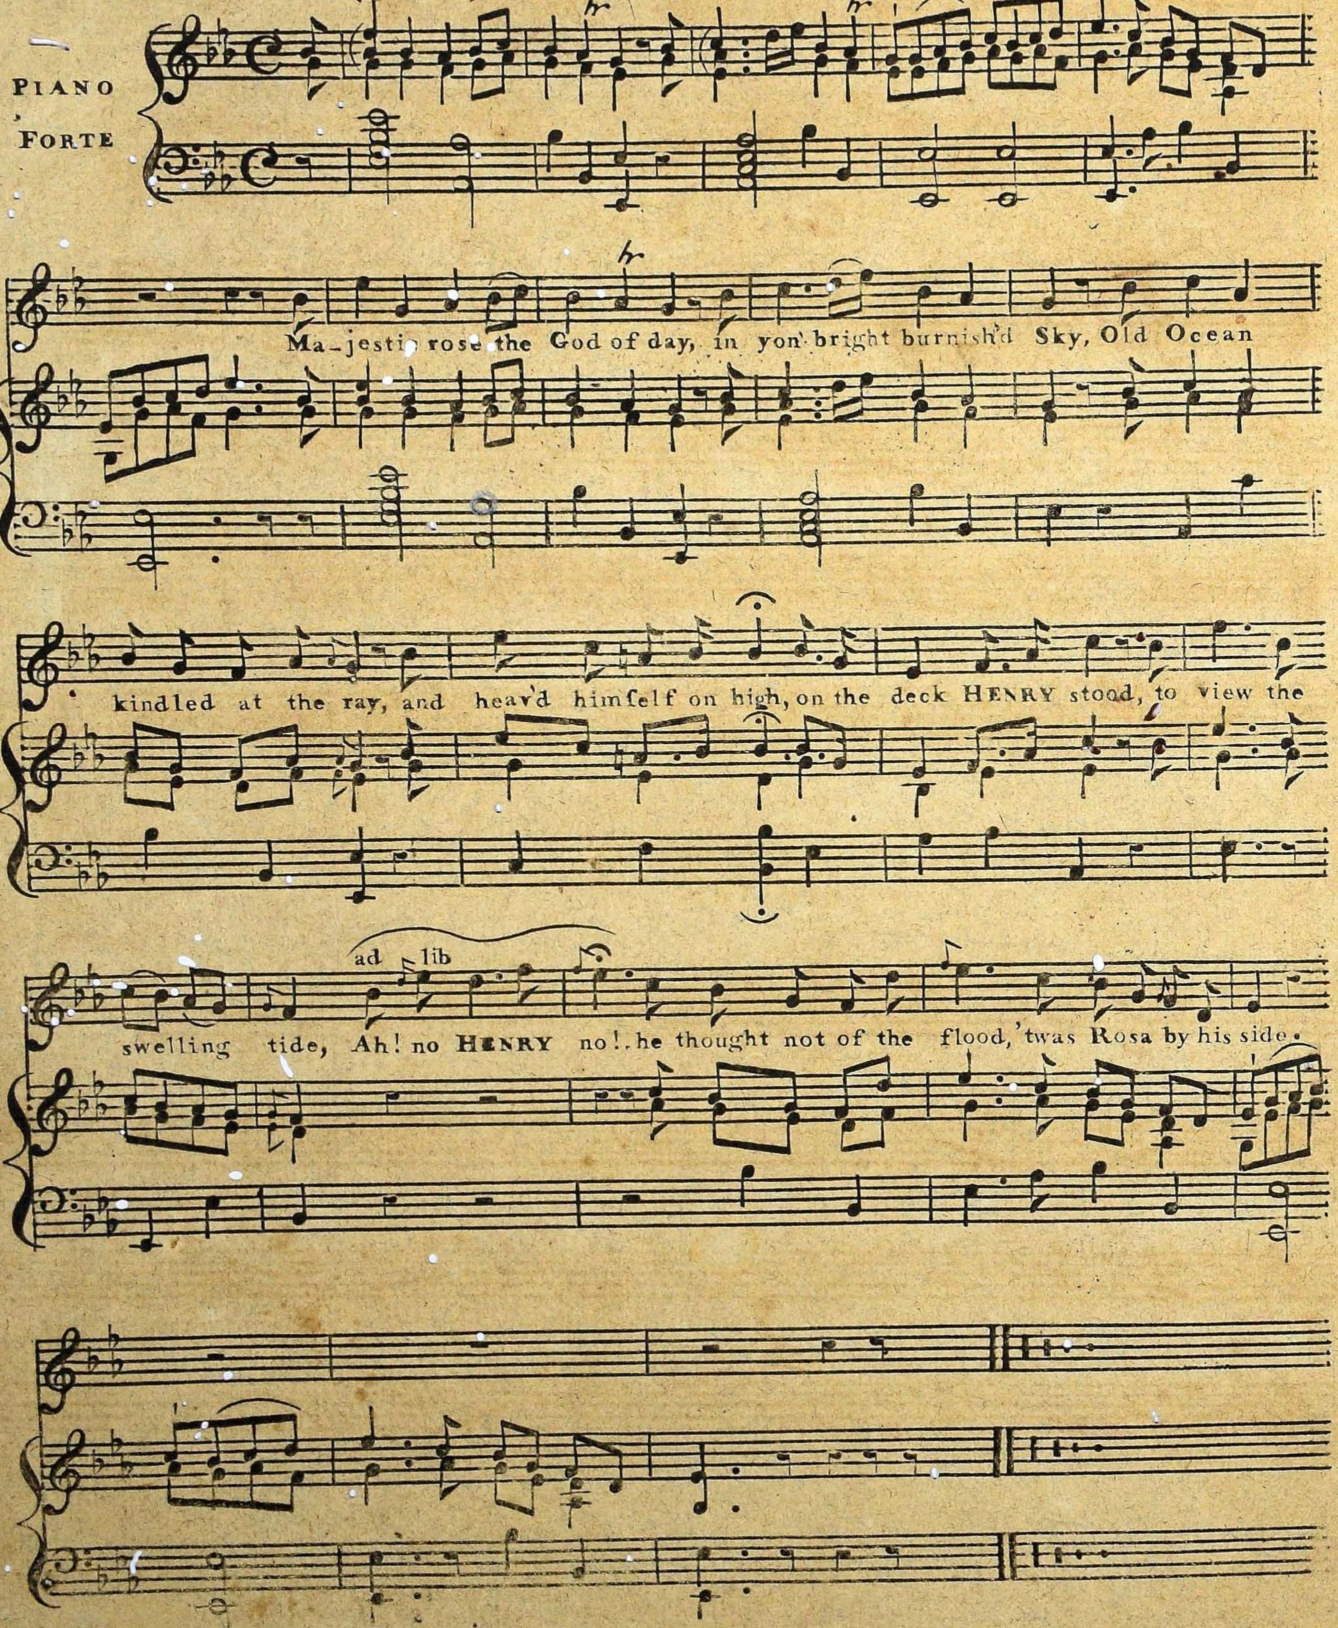
ROSA & HENRY

An Admired SONG in the NEW Comedy of the "SECRET."

DUBLIN. Publishd by (HIME) at his Circulating Library (No. 34) College Green.



Now softly sunk the setting Sun
Beneath his wat'ry bed
The Ev'ning Watch was hush'd and done
The Pilot hung his head;

On the deck ROSA staid
To watch the waters glide,
Ah! no, ROSA no!
Such thought ne'er touch'd the Maid
'Twas HENRY by her side.

Ger: Flute.
